Dr. Kunces Dies

Dr. Joseph C. Kunces, 54, of Marion, Superintendent of Schools for the Old Rochester Regional School System, died suddenly at approximately 4 A.M. in Quincy Hospital on Saturday, December 30th. Dr. Kunces has been under treatment at the stroke care center of Braintree Hospital since shortly after he was stricken November 10th while at Old Rochester Regional High School and taken to Tobey Hospital initially.

He had been reported recently as making good progress in the stroke therapy program at Braintree which is one of the best in the country. It was announced that internal bleeding caused the sudden emergency

and he was transferred to Quincy Hospital.

Mrs. Patricia Ryan, chairman of the Old Rochester School Committee, made the announcement of Dr. Kunces' death.

YEAR END LOSS Editorial, D.C.J.

Dr. Joseph Kunces' sudden passing on December 30th will cause a widespread deep sense of loss through our 3-town area which he served with great zeal and distinction. Dr. Kunces has been a key member of this community since 1965 when he took over the administration of the Regional High School and the various school systems of the three towns. He put all of his considerable energy into his vocational pursuits and has built a solid educational institution which has attracted great admiration from many quarters and contributed to the rapid growth of the area. Dr. Kunces' effort was single mindedly directed toward offering the student the best educational opportunity in the finest surroundings. A decade of graduates are indebted to his efforts for a firm foundation in the pursuit of tools of life. These products of the doctor's years of effort will look back to his administration with the gratitude it deserves.

In the process of education, which is a con-

Selectmen's Meeting

SEWER DIGGING CONCERN

Both private citizens and public safety officials met with Selectmen R. William Blasdale and John DeCosta at the regular meeting on Tuesday, December 28th. Mr. Robert Wood, owner of Romeo's Package Store, and Mrs. Ella Gibbons of 4 Pearl Street expressed interest in the schedule for the digging of the Water Street trench for the sewer line. Mr. Wood said that he had seen no plan. Mr. Blasdale replied that at that moment there was no plan because the contract was yet to be signed. He said that he assumed that Water Street will be the first area to have pipe installed because of the depth of the cut. The Selectmen, he explained, plan to hold a meeting with the contractor and with Mattapoissett Department heads concerned with roads, utilities and public safety in order to set the guidelines governing the digging. He assured Mr. Wood that the Board intends to minimize the inconvenience to traffic flow and maintain some access for public safety vehicles to the streets that are under excavation. He invited both Mr. Wood and

Mrs. Gibbons to attend the open meeting during which the procedure will be worked out with the contractor.

Fire Chief Paul Bradley and Water Department Superintendent Charles A. Morgan met with the Selectmen to discuss the same subject. Both expressed the desirability of maintaining constant supervision of the work and the fixing of responsibility for damage before the work is begun. Mr. Morgan said that some damage could be caused by just the weight of the equipment because some lines are old. Chairman Blasdale said that the town will have a Tighe and Bond Engineering Supervisor on the job and a permit to open each street must be obtained from the Selectmen. Both Selectmen suggested that the town safety and utility official arrange to inspect the work periodically as well. Both agreed that it would be most desirable to meet with the Tighe & Bond engineers and their overseer together with town department heads before the scheduled meeting with the contractor, Bay Corporation. In that way all concerned can express their views and work them into a coordinated plan to present to the contractor

before he digs. The digging is expected to begin in mid January. It is expected that sewer mains will be installed and at the same time connector pipes will be laid to property lines so that all the street work will be accomplished. When mains are complete, homeowners will then connect in at the property line on a scheduled plan to be determined by the Board of Health. First however, all mains, the pumping station and the connector main to Fairhaven have to be installed and ready to operate.

Basketball

PEE WEE & MINOR LEAGUE BASKETBALL

Basketball sign-up will be Monday, January 9th, at 6:30 at the Center School All Purpose Room. Eligible are Mattapoisett boys 7-12 years old. On Tuesday the boys will return at 6:30 and will be told what night they will be playing, and have a practice session. During Monday's sign-up parents may ask coaches any questions they might have. The nights set aside for boys are Monday, Tuesday and Wednesday. Thursdays and Fridays will be for girls' basketball.

Whenever there is no school (vacations or snow, etc.) there are no evening basketball games.

GIRLS' BASKETBALL SIGN-UP & COACHES

Any girls from Mattapoisett 7 and 8 years old and 9-13 years can sign up for winter basketball Thursday evening, January 12th, at the Center School all purpose room at 6:30.

We need coaches, so if you can donate an hour and 15 minutes on a Thursday or Friday evening please call Sheila Mitchell at 758-4340 and then attend the sign-up.

News: Practice ice times at the Howard Johnson Rink at Tabor Academy have changed for a couple of divisions. These times are correct - Sundays, Mites 11 AM to 12 noon; Wednesdays - 8 to 9 PM Peewees; Midgets 9 to 10 PM; Thursdays 6 to 7 PM Squirts; 9 to 10 PM Bantams. The rotating hour will be Sundays 12 noon to 1 PM to be shared by either the Squirts and Bantam Kodiaks on alternating weeks. More on this later. New game schedules are in the hands of the coaches and each team will be contacted. If not then contact your coach. Schedules were late because of changes in the ice time at the Rink. DNR (DEM) practices will be announced by the coaches of each team.

Council on Aging

Due to the holidays and omission of an edition of Presto Press last week, we are late in releasing our January Minibus schedule. Please clip it and save from this edition of Presto. So far, no big bus trip has been scheduled. If it is possible to arrange one, it will be publicized so that you can sign up for it.

A special trip was arranged for eleven Seniors, at their request, and the Minibus took them to Boston last Thursday to see Mary Martin's show (Summersaults), which we understand they thoroughly enjoyed. It was unfortunate that we had so little time to arrange and get tickets that we could not publicize the trip and had to depend on word of mouth to arrange for tickets for the one matinee available. If any group wants to ask for a similar trip, the Council on Aging will try to cooperate, but, please, not again at the last minute. It has caused hard feelings among those who did not hear about the trip, and who might have liked to go. So, please give us suggestions but in time to properly plan.

Again we request that you call the Town Hall on Mondays and Thursdays between the

YOUR THEATRE TO HOLD TRYOUTS

Your Theatre will conduct final tryouts for
its third production of the current season.
The play, MEDEA, freely adapted from Euri-
pides' original by Robinson Jeffers, is slated
for presentation in early March. Artistic
Director Edward J. Maguire announced that
Michael McNamara has been appointed di-
rector of the production.

Initial tryouts were conducted in October
and November, but as of yet no roles have

been assigned. The play calls for five men
and five women ranging in age from 20 to 60
years, plus several extras.

Tryouts will be conducted at 8 P.M. Wed-
nesday, January 11th, at the Mini Theatre,
100 Rear Parker Street, New Bedford. Anyone
interested, regardless of experience, is in-
vited to attend.

BENEFIT TO BE HELD

A benefit for the family of the late Marc
Morency will be held at the Hangers Supper
Club, Main Street Acushnet, Sunday, Janu-
ary 8th, from 2:00 P.M. until 1:00 A.M.

Ten bands will participate including Charis-
ma, The Fabulous Hitch Hikers, Coleus,
Bitter Sweet and more. A free buffet will be
served.

Tickets will be sold at the door, at Warren
Jewelers on Thames Street in Newport, Rhode
Island; and in New Bedford at 209 Union
Street.

All proceeds will be donated to the family
of Marc Morency. Marc Morency, musician
and former member of Magnetic Force, died
on the way home from playing in Newport,

Tobey News

CHILDBIRTH EDUCATION CLASSES

Throughout 1978 Tobey Hospital will continue to offer a full complement of classes for childbirth education. Four times each year the hospital presents a series of Parent Education Classes open to expectant parents at no cost. These classes, co-sponsored by the March of Dimes, stress prenatal care of the mother, development of the fetus, labor, birth, and care of the newborn.

For those interested in "total prepared childbirth", there will be additional series of Lamaze classes at Tobey Hospital this year. Mrs. Donna Sassone, RN, certified Lamaze instructor, emphasizes that the Lamaze classes do not concentrate on "natural childbirth" but rather explore the various

options of delivery available to parents. On Wednesday evening, January 4th, a new ser-

Mattapoisett Track Club

The Mattapoisett Track Club on behalf of Stephanie Hiller would like to thank all of the businessmen and individuals who contributed to help defray costs on her trip to Washington. We are very proud of Stephanie and the fine showing that she made. Stephanie finished 40th in a field of the top 96 12 and 13 year olds in the country. Her time for the two-mile run was a fine 12:38. It is interesting to note that the 4th through 56th finishers were within 40 seconds of one another.

Thank you Stephanie for a fine showing!

Mattapoisett Seniors

The Mattapoisett Seniors Club will hold only one meeting during each of the months of January and February instead of the usual two. The January meeting will be held on January 23rd. In February the club will hold its meeting on February 27th.

DUFF PLUMBING ANNOUNCES

We have added another truck to our fleet expressly for the Marion, Wareham & Rochester area residents. We have had such an increase in calls that we have decided to install a direct, toll-free "Hot Line" for these customers. We have our plumber, Chet, who is a local resident and knows the area well. He will have a well-stocked supply of plumbing needs right at hand.

Are you disappointed to find yourself waiting two days for a plumber, then have him arrive with a helper to carry the tool box, and receive a bill for two men? We pride ourselves on sending one man on service calls.

We take good care of our old customers; it is new customers we are looking for.

SWIM-A-LONG

Pledges are being sought for the annual YWCA Swim-a-Long to be held on Martin Luther King Day Monday, January 16. Participants will seek pledges for each lap completed (they need not be consecutive laps). Funds raised will go to the YWCA Scholarship Fund, to provide YWCA class and program scholarships for needy young people.

The Swim-A-Long will be held from 9 A.M. to 12 Noon and 2:30 to 5:30 P.M. If interested in swimming or sponsoring a swimmer, call the YWCA at 999-6201.

WOMAN ALONE

Do you want to make new friends? Dine out? Find new interest? Become involved in community service? If you're single, widowed, divorced or separated, the YWCA Woman Alone Group may be what you need. They meet at the YWCA on the first Friday of the month from 7 to 9 P.M. The next meeting will be Friday, January 6th.

Seedlings Available

The Plymouth Conservation District recently announced their sponsorship of the Annual Seedling Program for 1978 according to Howard Hayward, Chairman of the Board of Supervisors.

For a nominal charge to landowners in the county, the District will provide a variety of evergreen and/or deciduous plants. Evergreen species offered are: Scotch Pine, Norway Spruce, Canadian Hemlock, Japanese Larch, American Arborvitae, Colorado Blue Spruce, Japanese Black Pine and Mugho Dwarf Pine. European white birch, Bristly locust, Autumn olive, Honeysuckle and Rugosa rose are the deciduous species available. Pachysandra is being offered as an evergreen groundcover.

at Southeastern Massachusetts University on January 9 and 10 for veterans, and from January 11 to 13 for all prospective students. Classes begin on Tuesday, January 17.

Special students are not candidates for degrees in the day division at the university. They are allowed to register for no more than two courses and only on a space-available basis. Veterans eligible for veteran educational benefits may register for more than two courses with the approval of the dean of students, based on his judgment that the veteran was unable to meet deadlines for application as a full-time student.

Starting with the academic year 1977-78, no special student may accumulate more than 30 credits as a special student.

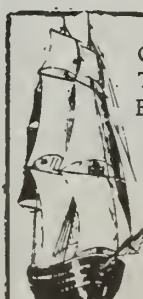

Registration information and forms are available from 9 A.M. to 4:30 P.M. at the registrar's office in the Foster Administration Building.

In Appreciation

A THANK YOU

On behalf of my Mother, I wish to thank the Mattapoisett Police Department and Rescue Team for their instant response Sunday A.M., December 18th, in administering oxygen and transporting her to St. Luke's Hospital.

A Very Special Thank You to Sergeant Moore, Officers Cacilhas, Mendoza and Rescue Tech-

nician Morgado. Their quick, courteous, gentle and efficient action was more than beyond the Call of Duty. In these days it's quite obvious that a few professional men in white who take an Oath to administer 24 hour medical service are now Our Professional Men in Blue. It took these Officers less than 5 minutes to come to Mother's aid in comparison to 3 1/2 hours in a hospital emergency room.

Again, my heartfelt gratitude to these men and the Mattapoisett Police Department for an excellent mission of mercy.

course making use of available case studies which highlight the interaction of laws, organizations, scientific data, and people within the coastal zone setting. A goal of the course is to provide the coastal resource user with an understanding of the coastal region as a highly complex and interrelated social and physical system with a resource base subjected to ever competing, and often conflicting, demands. Suggestions for an integrated approach to the management of those resources will be offered with roles for citizens, technicians, politicians, and industry personnel identified.

The principal instructor will be Robert E. Black, Assistant Professor at the Massachusetts Maritime Academy. Mr. Black is a past Fellow in the Marine Policy and Ocean Management program at Woods Hole Oceanographic

Institution, and is a consultant in regional and urban planning. He is a charter member of the Coastal Society and a member of the Association of American Geographers.

Registration Information: Monday through Friday, 8:30 A.M. to 4:30 P.M., to January 26 at the SMU Registrar's Office; evenings until 7:30 P.M. Monday through Thursday the weeks of January 16 and 23.

HOLIDAY SPIRIT CAN LEAD TO SPIRIT OF HEALTHY LIVING

"The holiday season leads to a spirit of celebration and giving. Perhaps the finest gift to oneself and one's family could be the spirit of a healthy lifestyle," according to Ernest E. Wiesner, M.D., President of the American Heart Association, Southeast Massachusetts Division.

- Better engine protection

"Especially with the New Year upon us now is the time for individuals and families to resolve to develop and improve their way of life."

Dr. Wiesner contends that a healthy lifestyle requires a little knowledge and a great deal of common sense. He points out that both the beneficial and the harmful aspects of modern life have been well documented. Furthermore, a healthy lifestyle does not require a radical change in living habits.

"Respect is the key ingredient for success in leading a healthy lifestyle," Dr. Wiesner said. "Respect for oneself. Overindulgence in food, alcohol and tobacco can lead to the onset of premature heart disease and many other problems. This shows a serious lack of respect for one's body and a serious lack of common sense."

Dr. Wiesner said that foods high in saturated fats, cigarette consumption and a lack of exercise are major risk factors in the development of coronary artery disease. Uncontrolled high blood pressure and an excessive intake of salt are other major risk

factors.

The Heart Association can offer information on how to control these risk factors of Heart Disease. Dr. Wiesner suggested that interested people could contact the Heart Association at 375 Westgate Drive, Brockton, Mass. 02401. "We're Fighting For Your Life".

scoring this season.

Every point scored by the Patriots this season brought \$100 from Frito-Lay, Inc., makers of Lays potato chips and Fritos corn chips, to the Boys' Clubs. The Patriots rolled up 432 points against their opponents in pre-season and regular games this year.

According to John Durkin, Cohasset, Frito-Lay regional manager, last year \$34,100 was donated to the Boys' Clubs of Boston when \$500 was given for every Patriots' touchdown; and \$100 for every point in the Oakland play-off.

So, while the Patriots didn't make the play-offs, they won a lot of hearts with their big
